

Hello All,

I've forwarded this email rather than put the information in next Newsletter as the closing date requires some attention soon.

Dear All,

As you may know, the Geologists' Association is running a photographic competition this year which is open to anyone and we are keen to receive as many entries as possible. It is a great opportunity for imaginative photography! I attach an advert for the competition and an entry form and would be grateful if you could forward these to your members.

*All the entries will be put on display at the **Festival of Geology**, University College London on 7 November 2015 and there are impressive cash prizes!*

*Entries will also be considered for inclusion in the **2016 GA Calendar** which will this year be on sale at the Festival of Geology (full credit will be given).*

Thank you.

Gerald Lucy

GA Council Member and Organiser of the Photographic Competition 2015
